HELP YOUR ROCKETS BLAST OFF!

Congratulations!

You are ready for

Beginning Reading Set 2

When printing book sets, always print on one side only. Books can be cut out and stapled together to make reading easier. Good luck on your reading adventure!

Certificate of Completion

This certificate is awarded to

For mastering the ALPHABET!

Date

Alphabet Games

Fly Swatter

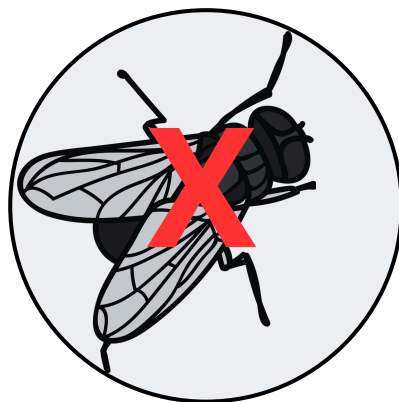

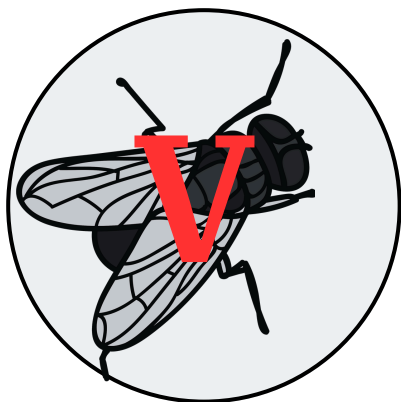

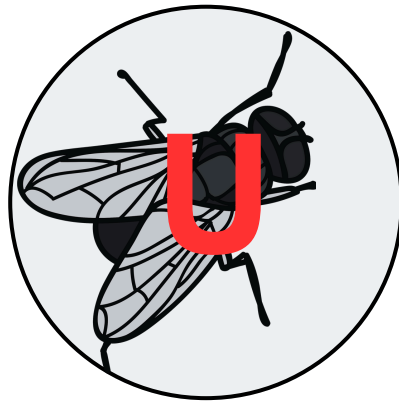

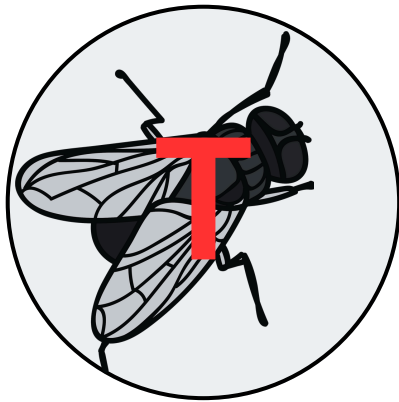

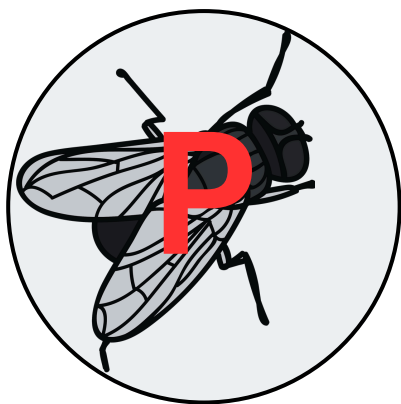

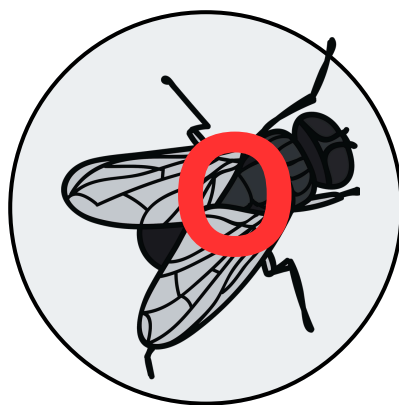

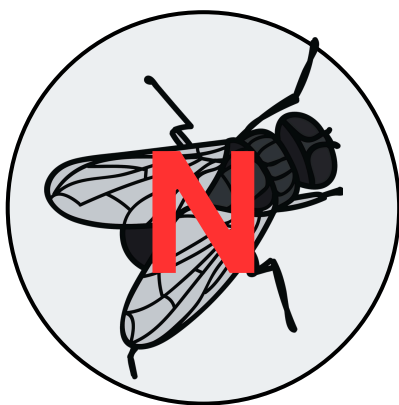

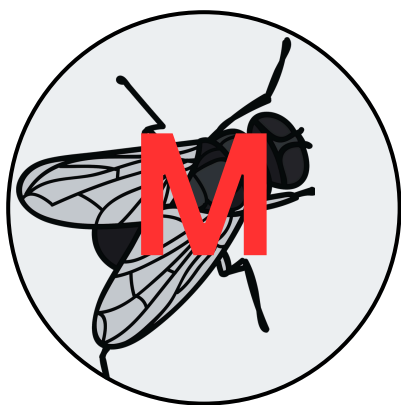

Parents call out letters or sounds and students use the fly swatter to swat the answers.

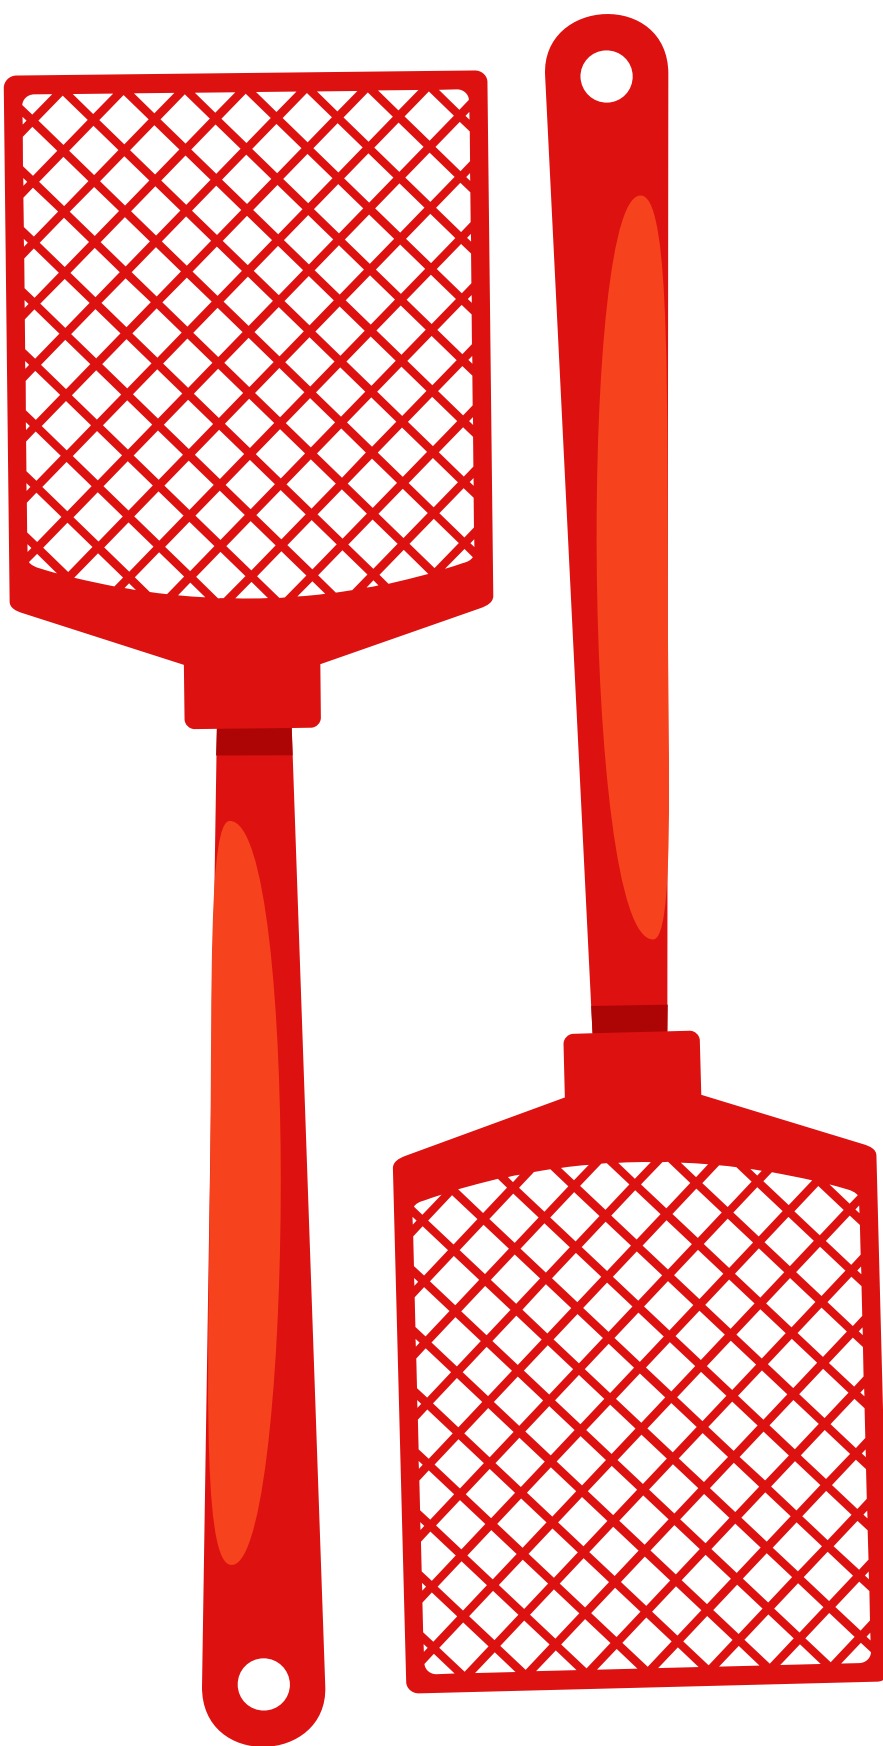

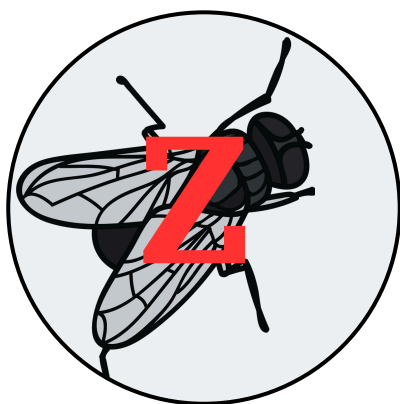

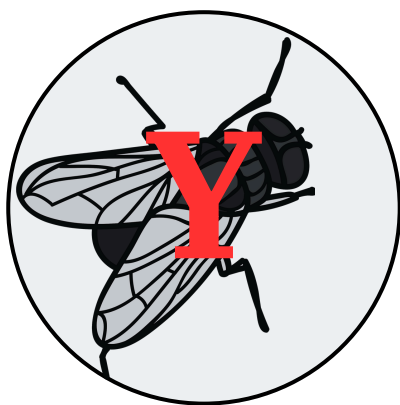

Memory

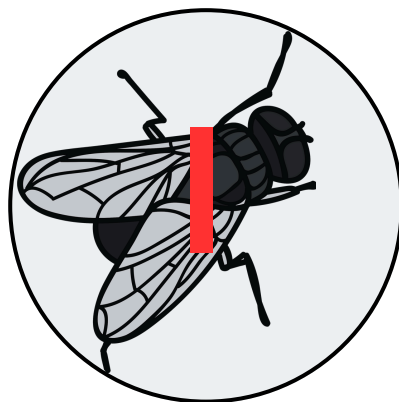

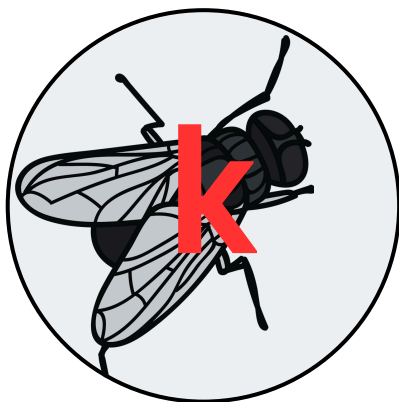

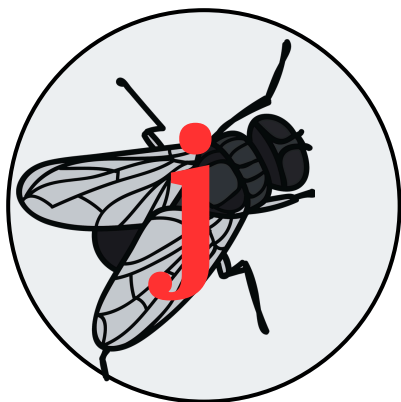

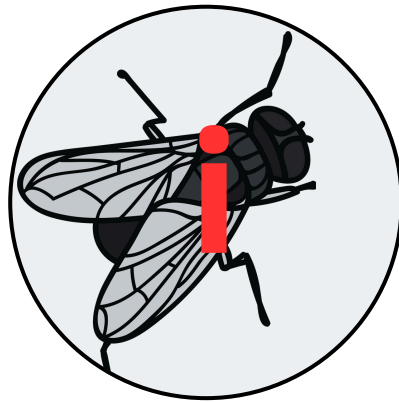

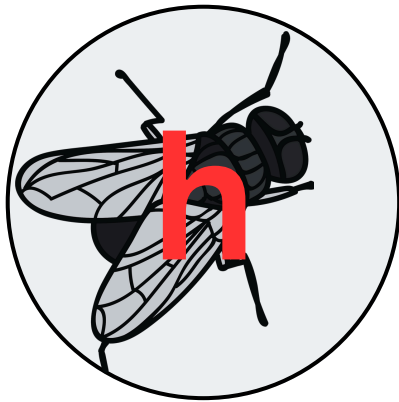

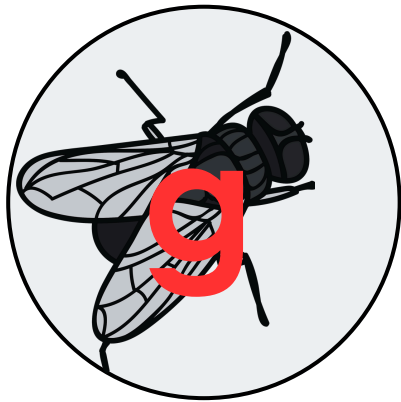

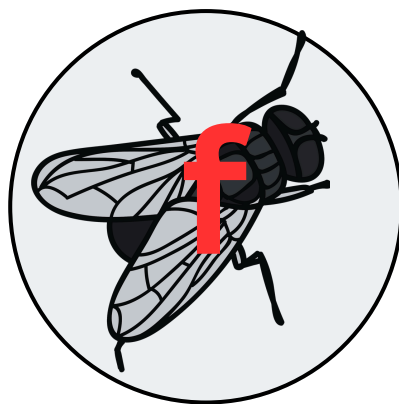

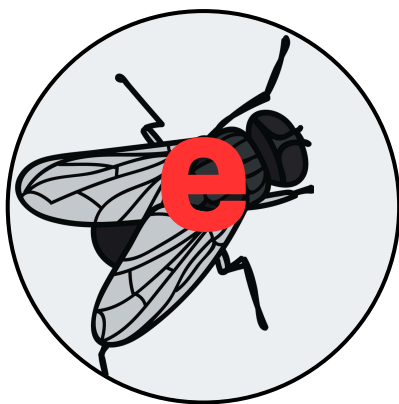

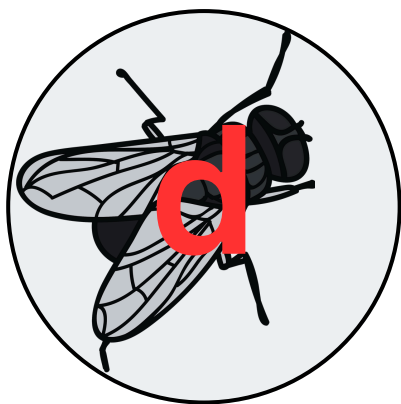

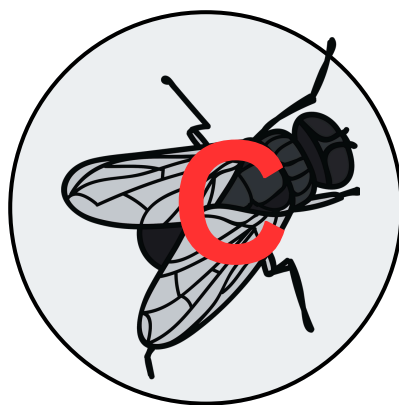

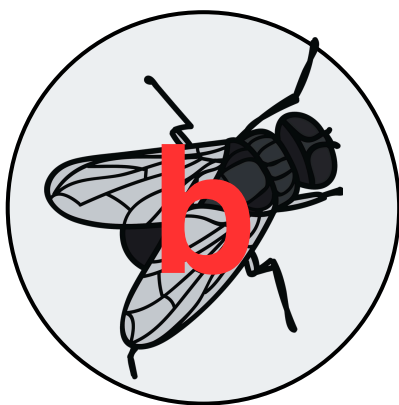

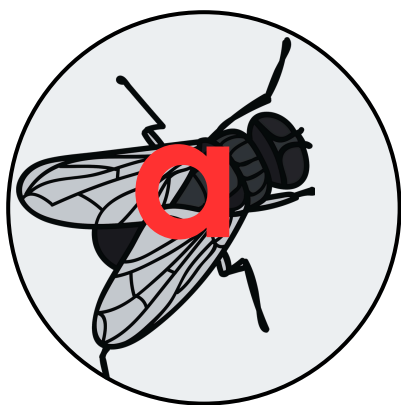

Flip all of the upper case and lower case fly cards upside down and mix them up. Each player, on their turn, will select two cards. If the two cards are the same letter, one being upper case and one lower case, the player keeps the cards and gets another turn. If they do not match, the player returns the cards upside down to their original spot and it is the next players turn. Players must try to remember where they have seen each card so they can use them to make a match on a future turn.

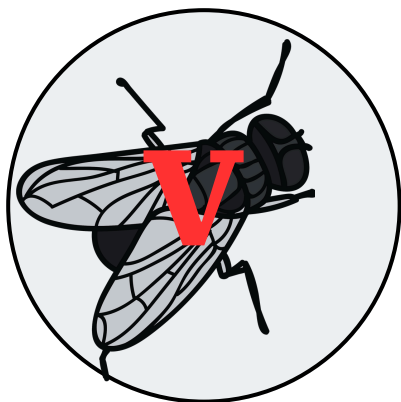

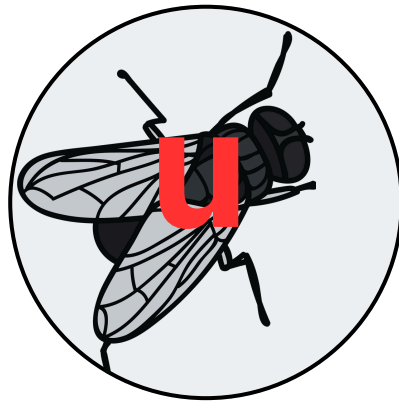

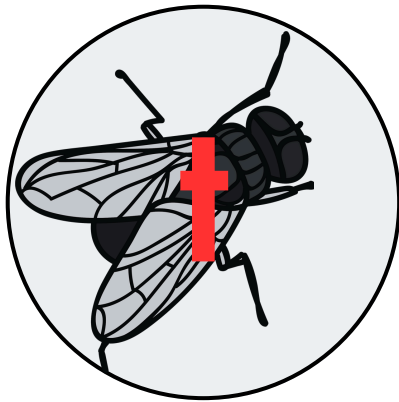

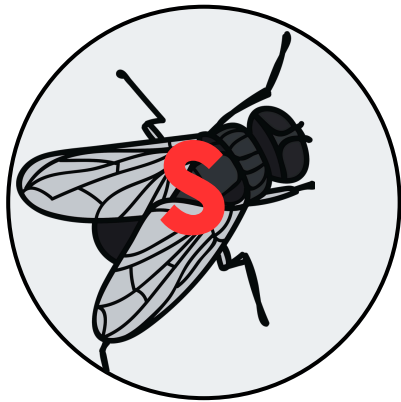

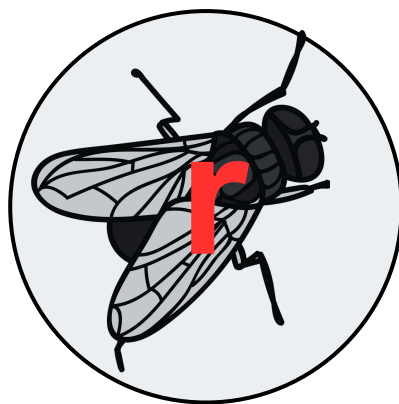

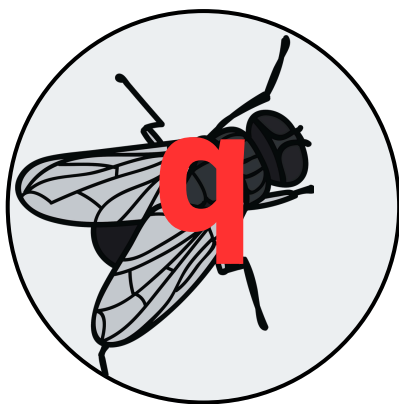

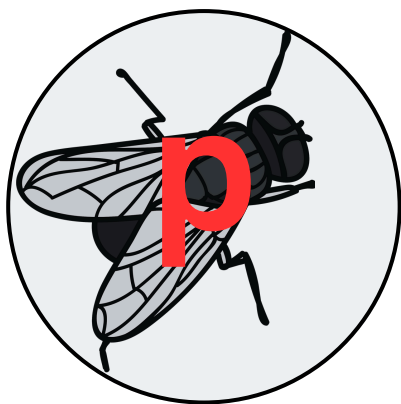

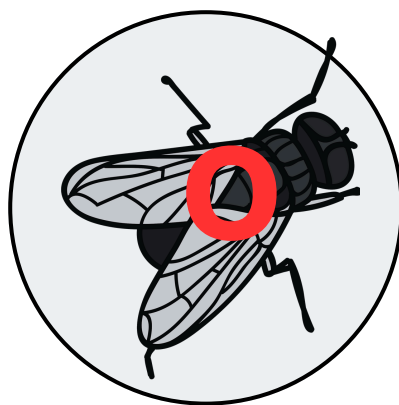

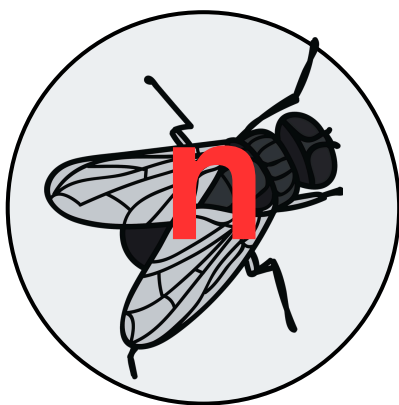

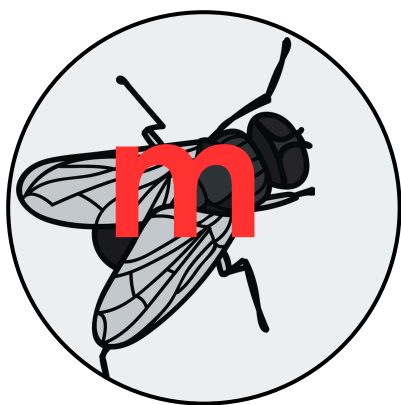

Bingo

Stack the upper case fly cards into a pile face down. Each player selects a bingo board. Turn over the fly cards one at a time and call out either the letter name or the sound. Players will find the letter on their bingo boards and mark them off with a bean, coin, or other object used as a marker. The first person to have five in a row marked off, horizontally, vertically or diagonally, wins.
